2 / Introducing MyRHA

At Beacon we are always trying to improve your experience as a tenant and make life that little bit easier. That's why we've created MyRHA.

MyRHA is our brand-new online account which you can log on to via our website: www.rhawales.com/myrha

MyRHA means you can access your account
24 hours a day, seven days a week to:

View your rent account and make payments, report a repair to us

Upload photos to help us better diagnose a repair

Update your personal details and contact information

Request a call back from our team

Request a property exchange or end your tenancy

Report anti social behaviour, graffiti or fly-tipping

Tell us your views on our services and get involved

Registration is simple, all you need is a phone, tablet or laptop and the registration letter we sent to each tenant in spring 2023. If you no longer have this, then call us on **01443 424200** to request your PIN and tenancy reference number or drop us an email: myaccount@beacon.cyrmu

3 / What do I need to register for MyRHA?

You'll need:

Access to a computer, laptop, smartphone, or tablet

Access to the internet or Wi-Fi

An email address

Your date of birth

Your tenancy reference & PIN number

It's essential to keep your tenancy information and personal data secure and private. This is why, just like online banking, we need to keep your personal details safe in MyRHA by confirming your identity. To verify your identity when registering on MyRHA we need to match key information you provide with information we hold on our systems.

Each tenant will receive their tenancy number and unique PIN code to use when registering. If you have not received this, or cannot find this when you want to register please contact our team on **01443 424200** or email us at: **myaccount@beacon.cyrmu** and we will help get you set up.

4 / How to Register

If you're ready to register for MyRHA, just follow the steps below.

If you prefer, there's a video on our website to walk you through the registration process step by step, so please take a look.

1. Go to www.rhawales.com/myrha and click on the 'Register' button if you are a first time user.

The screenshot shows the MyRHA website interface. At the top right, there are links for 'MyRHA account' and the phone number '01443 424200'. The 'beacon' logo is on the left, and navigation links for 'Your Services', 'About RHA', 'Get Involved', 'News & Events', and 'Contact Us' are in the center. The main heading is 'Your Online Account' with the subtext 'Our brand new online account for all our tenants.' Below this are two buttons: 'REGISTER' and 'LOGIN'. A section titled 'Accessing your account 24/7' explains that registering provides 24/7 access to the tenancy account. It lists requirements: a computer, laptop, tablet, or smartphone with internet access. A bulleted list specifies: an email address, date of birth, and tenancy reference/PIN numbers. It provides contact information: 01443 424200 or myaccount@rhawales.com. A note mentions a video guide and user guide. At the bottom, there is a button for 'DOWNLOAD MYRHA'S HELPFUL GUIDE'.
